

NEXUS Plus fall arrest 2 point harness, QC

H32QH

**Fall arrest and restraint harness with jacket and quick connect buckles.
Suitable for all general work at height.**

Features:

- Contoured fit for comfort and freedom of movement
- Quick connect leg and chest buckles
- Lightweight breathable contoured jacket
- Padded floating leg loops
- Integral lanyard parking points

Chest strap rings orientate the webbing for secure fit and optimal comfort.

Quick connect leg and chest buckles make fitting fast and easy. As the buckles do not need to be slackened to remove the harness readjustment is not required every time it is worn.

Contrasting colour of leg and torso webbing assists correct fitting of harness for less experienced user.

Floating padded leg loops allow user to position where needed

Shoulder buckles allow quick and easy single hand adjustment.

Elastic webbing retainers on strap ends allow slack webbing to be stowed neatly and easily.

Jacket helps to prevent tangling for quick and easy fitting.

Option:

H32 - basic harness with thread through buckles

Specifications:

NB: specifications and colour may change without notice.
